He is a jack ass who brags about qualities he does not possess. In our yard in Hollywood there are 7 Orange trees, they perfume the whole yard. So should the spiritual man be -- sending forth his perfume. Don't mistake real peace for a fancy one.

We each have a basic nature. Story repeated about the mama skunk who washed & perfumed her babies & finally said "in spite of all I've done, you're still little stinkers".

Something within talks louder than you. When I was in Chicago the 1-st time-standing with 2 other men on the corner, a tramp came up... looked at me and extended his hand for .25¢. I answered, "I will give you if you will tell me honestly WHY you picked me instead of the others". Tramp ans. "because you looked like the easiest one. Also, is there an ~~emission~~ <sup>emission</sup> that others trust & come to you? In my home in India, there were MUSK seeds; (perfume born of the glands of a doe) had been there 42 yrs.: when I was recently there the perfume was still sending forth its sweetness & the weight had not diminished one bit. It had perfumed our home all those years. HEAVEN is no place, you take your heaven with you. Within our character, it carries all that is to come to us. You can have peace-being with one who himself has peace. Character is never given to you - never transmitted from father or mother to child. We can give riches to another - but never character. WE ARE the SUM TOTAL of all our living since the CREATION BEGAN !

There was a man, very handsome, who came to sit in Socrates company at times. His name, Alcibrades, debauched, drank, a real rounder. Told Socrates, "you are the only person I am with that makes me feel bad about my drinking & debauching ways - yet you have never told me to stop - never have said a word about it". Let your life become a beacon light - for those in darkness to see.

Religious people sing halleluiah - & hate all the others. Catholics hate the Methodists..Baptists hate the Catholics & all of them.... & all of them hate me because they think I am a heathen ! I've more respect for an active devil than for a passive saint.

Peace is found within. Jesus said " Silver & gold have I none, but my peace I give unto you". IF you have no peace you may be religious, but not spiritual!

A man in the audience wrote.....HOW TO HAVE PEACE .. "It is like a fish out of water - unhappy. Don't sprinkle me with drops of water, either let me die or restore me to my natural state in the ocean."

So with man... character is WHAT I AM. Jesus was beautiful inside & dressed tastefully outside; there is no need for gloomy priests.

It is a big job to bring into being a GOOD CHARACTER, - into manifestation. Big job! For growth, the soul needs good soil. Soul can never thrive without good environment. The wheel that brings us the ups & downs, is freighted with values for us to grow thru! "This too, shall pass away. (showed MOTTO!

Miss Michigan will soon be 'MESS MICHIGAN'. Prosperity even poverty - pass away; also the Goulds, the Rockefellers. We must extract all the meat that comes into our lives. We must meet every situation, BEAT IT, -- so a new element can enter into your character... SOMETHING NEW.. OVERCOME ALL SITUATIONS. THEY COME FOR ONLY ONE REASON.....

GIVING YOU A CHANCE TO GROW

The fickle nature says "I am the best man in the world". He blows his own trumpet, wearing a mask - tries to make that mask as beautiful as possible. But the ugliness is still underneath. This MAST, is PERSONA, that we wear. There is no such thing as gentle men & women, they all wear this MASK. Even Jesus said "why callest me good, only the Father in Heaven is good". Circumstances unmask people & all that glitters is not gold - most people are like gilded lead. Phoney. NEVER GIVE your heart to anyone until they have proved themselves to you.

## WE MUST FIND

1. Truth
2. Quality
3. Devotion to Truth
4. Gnosis
5. Sight of God: then true love begins - grows endlessly.

Said the son to his dad, "Father is there any good man in the world?"  
"Son if you carry a good man inside of you - you'll recognize him when U. meet."  
Diamonds are hard: they use a diamond to cut another diamond. One's heart, knows another's character. We have DESTINY (by free deliberate choice....  
Fate is the way of doom, it is the way of the senses. It is WHAT is in your character that draws to you events. A parent said, "dam that Detroit society it ruined my daughter"... NO, there was something that drew that person into that place. The vulture flies high but smells the carcass & comes from afar to land on it. The humming bird smells the flowers & flies to them. Same with people. You can never draw to you, what you do not have qualitatively within you. BOTH the humming bird & the vultures go to what it is inwardly susceptible too. THINGS just don't happen : THEY ALWAYS HAPPEN JUST. A woman can go to church & ask change for a nickel but wants a man to willingly part with thousands of dollars. THERE IS NO MISTAKE IN PICKING A HUSBAND OR WIFE..... WE ARE INWARDLY SUSCEPTABLE TO THEM. We have sown the seeds long ago; sowing is a long way from the harvesting. When we become God-like we make no mistakes. "Serenely I fold my hands & wait for I know my good will come to me - for lo my own shall come to me." "By day or night - what matters if I stand alone." When you have worth ... you don't feel uneasy. Like Job in the Bible: "For lo the things I feared have come upon me". The things you deserve will come. If you go for them before the time is right (ripe) - you get kicked. Just be worthy of all that comes into your life. My own Father told me..."don't run after anything - sit home with God, just be worth: what is yours, the it be millions of miles away... it will come".

When our son David was three years old he said "where did I come from?"  
"Mama from San Francisco, sister from hospital there: we got you from the L.A. hospital, grandma & grandpa from Wales & daddy from India".... ..David  
"Isn't it wonderful how we all got together"  
LIVE VITALLY, LIVE TRUTH. All things of worth are in the NAM, for you to extract. Within the ground are coal, wood, many things.. minerals..... and we just have to dig them up for use. "SEEK ye FIRST the KINGDOM of GOD\* his & all these things shall be added unto you." Righteousness

The more worthy you are - more & more will come to you.. better & better things. THIS GOODNESS is a new element that will draw more good to you. I love my wife dearly. One day she said to me " I live the life you taught me.... I not only love you but deeply appreciate your worth". TRUTHS are in events -- give thanks to God for them. To grow ---- glean the values that come to you by growing thru each condition that comes.

Socrates prayed: "Father grant me what is good for my soul"  
Have DEVOTION to TRUTH . Sight of God will come when you are worthy  
-- NOT A MINUTE SOONER or A MINUTE LATER
