

pg 2 - pa 2 - L. 8

God cannot be seen as we see each other. There is SUBTLE SOUND - a FORM of the Lord, it is never seen by these eyes. To feel Him is not seeing Him. When the two, the within & the without are integrated, you will find God. Then change of heart takes place. When you love God & want to know Him, integration is near. The acorn is a potential oak tree; it needs proper soil & conditions to become! In man it takes a long time, AGES. There are 8,400,000 forms before we arrive at the human state, for human birth - then we want enlightenment a few lives later - yes.

The WORD of God places events in life for us - it is up to us to accept the challenges. Like the weather, accept it as a reality. Become a pillar of power, then we can be shaken by the storms of life & withstand them; just as Jesus & the Great Ones did. Lots wife became stagnant (spiritual interpretation) going backward in level of life. Jacobs ladder could be called the ladder of Evolution. WHY am I hungry for God? Because my nature demands it. The CAUSE must be looked for in the phenomena..! God is the author of our being - the upholder, the sustainer: we move, we live, & we have our being in Him.

To leave too much money to our children, spoils them: they lose incentive. Easy come, easy go. HOW MANY PROBLEMS WE HAVE, BEFORE WE LEARN! You cannot learn from other people until, you arrive at a certain stage of mental maturity. EXPERIENCE is our dearest teacher! And fools will have no other. Nature keeps hammering at you UNTIL YOU LEARN! The PATH of experience is the beginning path. LEARN THRU & FROM EXPERIENCE.

The second WAY is the easiest... thru INITIATION. THEN, we have the power to know the next step & do it without being kicked into it. But the desire to do & to grow must be born in you. YOUR WORK - will only be done by you! Don't do for others what they should do for themselves.

THE ROAD OF REFLECTION is the noblest path! EVERY DEED WE DO, WE WEIGH THE CONSEQUENCES FIRST. IF you don't like the results, DON'T DO IT. IF you don't want to reap that that, don't sow it. GREAT MEN THINK - they sacrifice themselves. There is an ART of living... FEW KNOW IT! Cut of one life-time & its complexities.. it is possible to learn ALL! By many heart aches & experiences come wisdom from these experiences. SOME, are noble enough souls -- to not marry until the right one comes along!

There are many levels inside us. If sex could be satisfying, prostitutes should be the happiest people - they're not. Some will say they want a woman, a man - what more could you want? PLENTY. To run away from your self (yr. problems) is foolish--- for they run after you - there is NO ESCAPE. Grow forward with yourself for yourself. We come, because of NO ORIGINAL SIN - but for ONE REASON ALONE -- for GROWTH of our SOUL. LIFE DEMANDS THAT YOU CONQUER IT.

The only way of liberation is NOT to get tied up with the UPS & DOWNS of LIFE.

TO DO SO ----- YOU ENTER THE WOMB OF MOTHER NATURE ..... YOU COME BACK

DON'T EMOTE .. . . . DON'T EMOTE

ACCEPT PAIN & PLEASURE WITH EQUAL INDIFFERENCE.....

BE SUPPORTED BY THE NAME... IT SUPPORTS YOU. BECOME LIBERATED HERE  
YOU CANNOT BE LIBERATED THERE.... ONLY HERE!

There is no bondage except what I tie to myself in these UPS & DOWNS

WHEN THE MIND PERCHES ON THE GURU WITHIN.... WE ARE LIBERATED  
AND ENTER --- THE DIVINE STATE

The 'self' enters conditional existence for the growth . A bud cannot be forced to open or the bloom is injured..it is hurt. There is within the bud, its beauty enfolded - all have steps - no.. don't rush it.

There were two men: one had meditated for 40 years and the other just starting. They ask God "How many more lives have we?" The first one was told "two more lives" & he was unhappy. The 2-d man was told, "as many leaves as are on the Bunyan tree. The second man was nearer to God than the first. Without GOD - nothing is. Only in God are we truly ourselves. Our self cannot be known, without being one with God! SEEING the DIVINE FORM WITHIN .

The LOGOS, is the WORD of God..CHRISTOS..NAM.. all are the same. I am a body of Light: the SEAMLESS ROBE - a FORM of LIGHT, since I KNOW the self within. What we are really seeking is the birth of the CHRIST in our own hearts. GURU plants HIS FORM inside at Initiation. We see it up here at the eye-brow center.. like light coming in the transom over the door. I look at my body -(only my house) but take better care of it now ! It is like the partition of curtains, obstruction is removed & I KNOW my SELF from my self. This is how we know God thru MEDITATION. Nothing that comes can be evil for you. In the Bible, Job was a chronic kicker. Read the Truth, it is your heritage.

The Universe was made by God & it is a growing Universe...& a growing soul, both. Man, a million years ago is not the same now, nor is the universe the same. This will go on for a long long time. We can't like one & hate the other.. accept both -- both the good & the bad. To trust everyone is utter folly.

There is no greater folly IF you TRUST without DISCRIMINATION. Discriminate for the growth of your soul. OPPOSITES produce a new being. So we have trials. "Any man in Christ, he will be a new creature", It is never as bright or as dark as we think.

PROBLEMS are your friends or your enemies.. they have NO POWER over you... events are neutral..The only power over us IS HOW WE MEET THEM. If we accept them as bad, they are bad to us. They can either be stepping stones to a higher understanding or stumbling blocks which hinder our own progress, to go backward. To RESIST the PROBLEM, you hurt only YOURSELF... it does not hurt the events.

Out of the same flower the bee gets honey & the spider gets poison. My father told me when I was a boy.."take all things as the same, equal-minded -- don't feel high for so comes the low.. be equal minded - THIS ALLOWS NO BITTERNESS to REMAIN." All things are good for us -- for our growth. Any living that is riskless, is lifeless! IF you seek safety, NO GROWTH. Don't antagonize an enemy - just keep away. When we leave this earth, let us take with us a VICTORIOUS SOUL - which has battled with life. Great men are rare: A Gandhi, Lincoln, Nehru, Jefferson; cheap countries do not produce this kind of man.... they do not reincarnate there. Since the Greeks poisoned Socrates, not a single great spiritual man has re-incarnated there. India's downfall was caused by her denying the world. All worlds are true - God is in ALL..ALL is REAL -- it is NOT ILLUSION ! We have no right to try to give up what God has given us. The world is for us .. it is where we learn - we experience - we grow. The Pope is changing, it is commendable.. but will people change OR.. will it be thru war, blood ?

Every day is a new moment in God.. not a copy of yesterday, it is brand new! Just being with you, some will love you & some will hate you. There are 2 legged rats that live in palaces. Saints are crucified for their spoken beliefs. Evil men hate good men .. BECAUSE IT MAKES THEM AGITATED IN THEIR PRESENCE, inside themselves. WHAT were the THOUGHTS of the man who shot Pres. Kennedy? He was a great man ! Man creates HIS OWN DEVILS !

ALL SCIENCES are for you to study ---but it is only PARCIAL KNOWLEDGE !

DR. THIND - Monday eve.

We must KNOW NATURE in order to work with her. Americans became great because they discovered how to harness the power in steam. Religion didn't do it. On a whole, Christians try to pull all others down. The FREE MIND realizes there is TRUTH in all religions - partial TRUTH. Any Truth cannot belie religion..also any religion cannot belie TRUTH. WORK with NATURE, otherwise you will not succeed. The LAW of GRAVITATION will not change because you want it too IF you jump from a high place. If man says "In the Name of the Father, the Son & the Holy Ghost" and jumps-- the LAW is the same! Disaster! It shows in the face of men IF they have violated the LAWS of God. We loose ourselves in the 'things' of this earth. All things are related to man, to USE ALL; for ALL is needed for your growth. All things are for you,- just be worthy. Don't be a kill-joy.. don't eat just this & that HAY: don't be one-sided. MAN is related to ALL THINGS. They who give nothing receive nothing. MAKE your development within & draw from the without. Don't say "I don't want much"... ALL is for you! All this & heaven too. Go with the NAM & the NAM will bring to you Parjat: a name of God. Don't be a beggar of life. There is no poverty in the universe, all poverty is in mind.

Without the human body - God cannot be known. A cow or ape does not hunger for God. Men do.. a few! It is by contact with great souls, it awakens the slumbering soul Being bored is because man is not fulfilling what is natural within, himself. Boredom is the worst of all diseases, it suffocates the soul. CLOSE the MOUTH, EYES & EARS & LISTEN to the SOUNDS inside. We must not abolish the capitalistic -- only enlightenment is needed - feel for others. In Cincinnati -- Mr. Nash was the first in America to show a profit with employees. Work & produce, boredom dies then. In the PUNJAB in India... it is the most productive & progressive in India. Learn to die to the little self inside. SIKH religion does not deny the world -- does not deny life FULFILL LIFE, then there is no boredom. God difuses Himself thru man & the world !

"If any man hear my Voice & let me in" ... "I stand at the door & knock"  
The door is here at the eye-brow center ..... The SINGLE EYE

With God you succeed: without Him, you fail. Troubles are mans means of growth. Draw stength from God. Meditate 3 times a day.

What humans do to other human beings is indescribable.

NEVER FAIL TO MEDITATE EACH NIGHT.

SUNDAY AFTERNOONS.... LISTEN TO THE SOUNDS !

DR. said, "MEDITATION TONIGHT WAS VERY BEAUTIFUL... LIGHTS ARE VERY BEAUTIFUL  
MEDITATION... it is like re-charging ourselves.
